

Desert Academy 2009/2010
Release from Liability for all off campus situations

Desert Academy currently has an off-campus privilege for 11th & 12th graders who have their parents' and school permission.

I _____ (name) give permission for my student _____ (name) to drive/walk off campus at lunch and other non-class times with the full understanding of the following off campus policies:

- Pedestrian and driver safety while off campus is the sole responsibility of the student.
- Students that arrive late from lunch more than once per quarter will have his/her off campus privileges revoked.
- Safe driving is my student's sole responsibility.
- It is my student's sole responsibility to make a reasonable determination as to whether or not driving is safe in the event of inclement weather.
- Any parental stipulations limiting my student's driving privilege are the sole responsibility of my student (for example, if my student is not permitted to transport others or not to ride with specific students). Desert Academy has no responsibility to insure that the student is complying with any such stipulations. By signing this form I understand my child may ride with any Desert Academy approved adult driver.
- Desert Academy assumes no responsibility at any time for any damage to any vehicle, either while the vehicle is in transit to or from school, while the vehicle is on school property or parked in the school parking lots.
- Driving with other students increases the likelihood of an accident. Desert Academy does not have any control over your child choosing to drive with another student that has off campus permission.

My signature releases Desert Academy from any and all liability that may be connected with this privilege, including accidents and/or any other illegal behavior. I have read and understood the above.

Parent/Guardian Signature(s): _____ Date _____

_____ Date _____

Student: I understand Desert Academy's off campus privilege and agree to adhere to the rules. I understand the consequences (see student handbook for details) that may result from violation of the rules.
